

The Christian Worker: Colossians 3:22 - 4:1

Getting to Know Each Other:

1. How long have you been coming to Mile High Calvary?
2. How long have you lived in/around Denver?

Getting into the Scriptures:

1. Many people compartmentalize their lives to separate work from their family life. While this is good, what does this passage in Colossians have to say about taking this too far?
2. How does our attitude towards doing a secular job reflect on Christ and the Gospel?
3. Submitting to our earthly authorities is a common theme in Paul's letters (see Ephesians 6:5-9 and Titus 2:9-14). What commonalities can we see in these passages? What can we infer about this topic from the fact that Paul repeats his teaching on it to multiple churches?
4. How does this passage change your view of the work you do everyday? Are there things that need to change in how you approach work?
